Dear Lake Washington HR Assn.,

Thanks to you, students and HR professionals will receive scholarships and resources to help build inclusive organizations where all employees thrive and organizations achieve success.

Your gift of \$485, received on October 26, 2017, will be used to champion workforce and workplace transformation by providing:

- research-based HR solutions for challenging inclusion issues facing employees and potential employees.
- scholarships to educate and develop HR professionals and students to make change happen.
- opportunities for HR professionals to make a difference in their local communities.

With your support, two challenging workplace inclusion issues will be championed in 2017: *the aging workforce* and *integrating veterans in the workplace*. Solutions and scholarships will be created to help tackle these issues and support HR professionals.

Your gift will help people like Jessica Collins. On September 10, 2001, Jessica arrived at boot camp to begin her career in the Navy. After 11 years of service, Jessica prepared to transition to civilian life and she was unsure about how to integrate her military experiences and skills. Once Jessica decided to pursue an HR career, she made a bucket list of events and activities to help her meet her goals.

One of Jessica's goals was to attend SHRM Annual Conference and Exposition. Because of generous support from people like you, we were able to give Jessica the opportunity to attend the conference and to meet, learn, and grow with a community of HR professionals.

After the conference, Jessica shared with us:

"I am so thankful to have had this opportunity. The SHRM Foundation made it possible!
This scholarship gave me the reassurance that the sky is the limit."

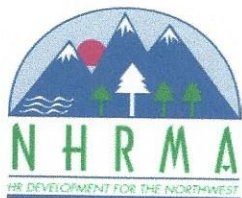

Scholarships and solutions are possible because of you. **THANK YOU!**

With gratitude,
